

Laser Distance Meter- Leica Disto D2 NEW

Distance Measurer With Bluetooth

Product Description

The new Leica DISTO D2 NEW comes with Bluetooth® Smart data transfer that links to the Free Measuring App! This small and handy laser distance meter has an impressive range of 100m and is equipped with many useful functions. Measurements out of corners or from edges are no problem with the multi-functional end-piece. All in a handy compact unit which fits easily into your pocket. A fantastic choice for the professional tradesman & the home improvement enthusiast. Ideal for quotations using the FREE DISTO Sketch Application for the iPhone, iPad or Android tablet, and you can sketch or photograph your project and transfer the measurements directly via Bluetooth. Save, email or publish your results.

The Bluetooth Smart technology allows you to easily document & exchange data wirelessly from the work site to office.

The DISTO D2 is capable of more than just measuring, data can be conveniently & accurately transferred via integrated Bluetooth. The free Leica DISTO Sketch App allows you to create floor plans or data tables on iPhone or iPad. Dimensions can be entered onto photographs with no effort.
